Good Luck where have you gone?  
I've waited for so long  
But you've been gone all year and now  
Good Luck Christmas has come

Good Luck it's Christmas time  
Could you this year be mine?  
Cos every year I pray you'll come  
But once December's been and gone  
You went away on New Year's Day  
And now Christmas has come  
Good Luck this isn't fun

Bad Luck is at my home  
He won't leave me alone  
I think he knows you're out of town  
And that's why he keeps coming round  
Good Luck please catch a plane or ship  
Or rent a car I'll pay for it  
Good Luck it's Christmas please come back  
You've been away all year  
Good Luck Christmas is here

Good Luck it's Christmas please come home  
Cos Bad Luck's been here all year long  
And that's way too long, but

Bad Luck and Christmas are the same  
Cos every year they're back again  
Good Luck it's Christmas please come round  
Good Luck it's Christmas don't let me down  
Please don't let me down  
It's Christmas.
