New York's a town that I've never visited I'd like to go  
but I'm too afraid of it, someone was telling me how  
bad America is, you ought to go its like our  
relationship. Collapsing. Tell me I'm wrong if  
something's amiss in this, I'd like to know I won't be  
offended, you don't know what to say, don't know what  
to say, don't know what to say what to say to me. Cause  
we're collapsing. Let's move to New York New York.  
New York's a town that I've never visited I'd like to go  
but I'm too afraid of it, New York's a town that I've  
never visited I'd like to go but I'm too afraid of it
