Don't needa tell me
That I'm not you
I'm not perfect
Don't needa tell me
That I'm not like her
I'm not

This is me
I know
Don't need you
Or anyone else
Just to let ya know
You don't need to say a word to me

CHORUS
Get off my back
Don't needa say
Anything to me
I don't care no more
Everything I do
Means nothing to you
Anymore

See I don't need you
And you don't really need me
Think bout it
I can be anything without you

CHORUS

Don't
tell me
That I need you
When I don't
And don't
tell me
I won't find anyone like you
Why would I?
That's why I left you!

CHORUS
