In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you ooh
In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you

i see you almost every day
noticed your smile and your thugged out ways
usually not attracted so protected by a guy your type
but your mystery intrigues me let me show you what im
like

ooh In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you ooh
In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you

when i think about the possibilities (possibilites)
of you ending up really feelin me (really feelin me)
i get all flushed and wonder how im infectuate with a
guy or so so so so so (so) uncompatable
im gonna make my move im gonna make my move
im gonna let you know that im really feelin you

ooh In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you ooh
In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you

ooh In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you ooh
In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you

you're so appealing to me my every fantasy in your
eyes i see in your eyes together we can raise a family
love let's just live my fantasy you and i ooh ooh

ooh In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you ooh
In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you

every time i think about your face
my body gets weak i dont know what to say
if we ever ever mingled i would wish that it would
always last
cause the way you make me feel babe is something ive
never had

ooh In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you ooh
In A Dream you're here next to me im making your
every fantasy come true in my dreams im with you
