[Screaming]

Tonight tonight
Everyone gets back oh
when your running it your way
so tell me what to do now
maybe i'm just here to say
everyone get stupid
and it stays the same
so tell me what to do now
baby i'm just here to say

everything will be alright
(alright)
and everything will be just fine
(just fine)
I'd give it all for just one day
(one day)
to hear your voice won't you
give that to me

everyone gets broken
cause she has it her way
so tell me what to do now
baby i'm just here to say
everyone gets told this
when they have it their way
so i'll tell you what to do now
just get up and walk away

everything will be alright
(alright)
everything will be just fine
(just fine)
I'd give it all for just one day
(one day)
to hear your voice won't you
give that to me

give to me
give to me
give to me

give to me

everything will be alright

(alright)

everything will be alright

(alright)

everything will be just fine

(just fine)

i'd give it all hear your voice

won't you give that to me

everything will be alright

everything will be alright

give it to me

tonight tonight
