Can you please explain the reasons  
Why you are so afraid of consequence when we first  
said hello?

Can you please explain the reasons  
Why you are so afraid of consequence when we first  
said hello?

Where am I going? What concerned you was being true  
In the nearest bathtub with hot water soaking me into  
you  
Withstand time of mine the will to never undermine  
You're growing and I feel strong always

Can you please explain the reasons  
Why you are so afraid of consequence when we first  
said hello?  
Can you please explain the reasons  
Why you are so afraid of consequence when we first  
said hello?

Pigeons circle my roof, ten to a hundred times a day  
Nothing stops them from feeding on our grass that lay  
astray  
Bothersome it may be to the naked eye nothing is free  
But the burden of proof may take more than a lifetime  
to see

Where am I going? What concerned you was being true  
In the nearest bathtub with hot water soaking me into  
you

Can you please explain the reasons  
Why you are so afraid of consequence when we first  
said hello?  
Can you please explain the reasons  
Why you are so afraid of consequence when we first  
said hello?

Can you please explain the reasons  
Why you are so afraid of consequence when we first  
said hello?  
Can you please explain the reasons

Why you are so afraid of consequence when we first  
said hello?

Can you please explain  
Why you are so afraid?  
Can you please explain  
Why you are so afraid?

Can you please explain  
Why you are so afraid?  
Can you please explain  
Why you are so afraid?

Can you please explain  
Why you are so afraid?  
Can you please explain  
Why you are so afraid?  
Why you are so afraid?  
Why you are so afraid
