Questioning everything that we say
Back and forth with the life we've made
Don't listen when the other side speaks
Leave me be

Left as though I can see through
The mind-sided, it shivers with joy
I have overcome you
I have overcome you

Thanks for nothing
I have waited
Comfort is arriving now
Thanks for nothing
I have waited

Comfort is arriving now
Thanks for nothing
I have waited
Comfort is arriving

What a beautiful sight unseen
Never felt the welcomed surprises
Breathe new air and pull away
Far from you

If you even apologize
It's pointless if you ask me
I am one with myself
I am one with myself

Thanks for nothing
I have waited
Comfort is arriving now
Thanks for nothing
I have waited

Comfort is arriving now
Thanks for nothing
I have waited
Comfort is arriving

Thanks for nothing
I have waited
Comfort is arriving now
Thanks for nothing
I have waited

Comfort is arriving now
Thanks for nothing
I have waited
Comfort is arriving

Thanks for nothing
I have waited
Comfort is arriving now
