Some people have the tendency of sucking the life out  
of me  
Try and fill me with forthcoming  
Excess is the way of the wise  
Even when they are left alone  
One hand on rye  
A thousand rambles in a second  
Tiny tip is tired and will not tolerate toilet tokens until  
he is topsy turvy  
So stop the torment you traitors

I can't take the squeaks anymore  
Than I can take you  
I'm sure you're sick of me  
Well I'm sick of you too  
We haven't gone far enough my friend  
If you send we'll understand  
Enter the voice and avoid the void  
You're safe with the flag

Local lopsided judges lure lunacy  
Over loony loud lumpy loopholes  
With lingo that's loathsome  
And shady shameless shamsters  
Shake and shape shaggy  
Young people with sharp teeth  
On shelves of ship shaped  
Sharp-eyed shop owners  
While customers consume large quantities  
Of curiously cultivated curtains  
Alongside crowds of crude oils  
Crossed and crooked  
Atop a crushed icemaker

I can't take the squeaks anymore  
Than I can take you  
I'm sure you're sick of me  
Well I'm sick of you too

We haven't gone far enough my friend  
If you send we'll understand  
Enter the choice and avoid the void  
You're safe with the flag

Enter the choice and avoid the void  
You're safe with the flag  
Safe with the flag
