Some people have the tendency of sucking the life out of me

Try and fill me with forthcomings Excess is the way of the wise Even when they are left alone, one hand's on rye

A thousand rambles in a second Tiny tip is tired and will not tolerate toilet tokens Until he is Topsy turvy So stop the torment, you traitors

I can't take the squeaks anymore than I can take you I'm sure you're sick of me, well, I'm sick of you too We haven't gone far enough, my friend, if you send we'll understand Enter the voice and avoid the void, you're safe with the flag

Local lopsided judges lure lunacy over loony loud lumpy loopholes With lingo that's loathsome And shady shameless shamsters Shake and shape shaggy young people with sharp teeth

On shelves of ship shaped sharp-eyed shop owners While customers consume large quantities Of curiously cultivated curtains, alongside crowds of crude oils

Crossed and crooked atop a crushed ice maker

the flag

I can't take the squeaks anymore than I can take you I'm sure you're sick of me, well, I'm sick of you too We haven't gone far enough, my friend, if you send, we'll understand Enter the choice and avoid the void, you're safe with
