Would you like to play a game of hide and seek now?
If you have X-ray eyes, promise not to peek now!
First we count to ten, and then we'll have some fun now
Or will you fly away before we count to one now?

Signal in the sky-oh
That's when you know you have to fly-oh
Signal in the sky-ooooohhhhhh!!!!

Let's go! You know you have a lot to do, oohh
Let's go! And everything depends on you, oohh

Hey girls, hey girls, come out and play now!
Or do you have to hurry off and save the day now?
Can't you come over, watch a movie with your friends
now?
Or will you fly away before we see the end now?

Signal in the sky-oh
That's when you know you have to fly-oh
Signal in the sky-ooooohhhhhh!!!!

Let's go! You know you have a lot to do, oohh
Let's go! And everything depends on you, oohh

power, super, super, power
power, super, super, power

Signal in the sky-oh
That's when you know you have to fly-oh
Signal in the sky-ooooohhhhhh!!!!

Let's go! You know you have a lot to do, oohh
Let's go! And everything depends on you, oohh
Let's go! You know you have a lot to do, oohh
Let's go! And everything depends on you, oohh
