If I don't see tomorrow
What would be left to say
So many precious moments
Got lost along the way

If love is all that matters
It's all we leave behind
Hold on to each other
While we still have time

And even though its raining
My heart is safe and dry
I can feel it rushing through me
It's the miracle of life
Ain't it good to be alive
(It's good to be alive)
Alive

I wanna see the sun rise
I wanna feel the storm
I wanna wrap myself around life
Like a baby being born

'Cause love is all that matters
It's all we leave behind
Hold on to each other
And pray for time

And even though its raining
My heart is safe and dry
I can feel it rushing through me
It's the miracle of life
Ain't it good to be alive

(I'm holding a picture)
Of the one's I love
(Receiving a message)
From heaven above
(Telling me that I've got time)
To cherish it all
BE STRONG
HOLD ON

So good...
Ain't it good to be alive
So good
Ain't it good to be
Good to be alive

Even though its raining
My heart is safe and dry
I can feel it rushing through me
It's the miracle of life
Ain't it good to be alive
Even though its raining...

I can feel it rushing through me
It's the miracle of life
Ain't it good to be alive

(To be alive...so good)
Oh Alive
(So good...to be alive)
(To be alive...so good)
Oh Alive
(So good...to be alive)
Ain't it good to be alive

Alive...Alive...Alive....

If I don't see tommorow
What would be left to say?...
