Van Zant
"Baby Get Blue"

Woo!

Let me tell ya baby!

You've got me in a mood
So take me to your school
Say bye-bye to the rules
Bye-bye baby

Your body's givin' me
Too much for my eyes to see
I want a taste of what I need

So baby let's take the night
Somewhere it feels so right
Ain't no other color that will do
Baby get blue

(Get blue)
(Get blue)
(Baby)

Don't water down my dream
I'll tell you just what I think
I think that you know the time is now
The lights keep spinin' red
You get inside my head
In a way I can't forget

So baby let's take the night
Somewhere it feels so right
Ain't no other color that will do
Baby let's take the night
Somewhere it feels so right
There's a place that waits for me and you
Baby get blue

Oh get blue baby!

Guitar!

Woo!

So baby let's take the night
Somewhere it feels so right
Ain't no other color that will do
So baby let's take the night
You make me feel so right
There's a place that waits for me and you
Baby get blue
(Get blue)
(Get blue)
(Baby)
(Get blue)
(Get blue)
(Baby)
BABY GET BLUE!
WOO!
BABY GET BLUE!

BA-BA-BABY
BA-BA-BABY
BA-BA-BABY
BA-BA-BABY

BABY GET BLUE!
