

Van Zant "Can't Say It Loud Enough"

Visit "[Can't Say It Loud Enough](#)" on MotoLyrics.com

Some people think that a lie ain't a lie
If you find enough fools to believe it
My daddy said that the truth is the truth
And there just ain't no space in between it

We're all searchin'
For something that is real
Once you have found it
Don't look back, hold on to what you feel

Can't say it loud enough
Can't say it proud enough
Can't feel it deep enough
Whatever you believe
Whatever you believe

I see the eyes of a child bearing fire
In the photo right next to my window
I see the shadow of a man at my side
Feel his spirit each time the wind blows

Follow your heart
Wherever it may lead
Remember who you are
Don't let no one take away your dreams

Can't say it loud enough
Can't say it proud enough
Can't feel it deep enough
Whatever you believe
Whatever you believe

Stand up and shout it out
Believe it without a doubt
Stand to your heart and know that you are
Whatever you believe
Whatever you believe
Whatever you believe

You never know the feeling
No you gotta take the chance
Don't you know the power's in your hands

Some people think that a lie ain't a lie
If you find enough fools to believe it
My daddy said that the truth is the truth
And there just ain't no space in between it

Can't say it loud enough
Can't say it proud enough
Can't feel it deep enough
Whatever you believe
Whatever you believe

Stand up and shout it out
Believe it without a doubt
Stand to your heart and know that you are
Whatever you believe
Whatever you believe
Whatever you believe

Oh, can't say it loud enough
