Trouble and pain are one and the same  
When luck runs out, well it's all about, yeah  
When hard times are hard at the end of the day, yeah  
You'll get what you got comin'

There's a whole lotta hope in all their gold  
What looks like it is could be a friend, yeah  
Out of all the lessons we learned to clear the way, yeah  
You get what you got comin'

You'll get back what you give  
Maybe that's the only way to live  
What goes round, now and then  
Comes again  
(It comes again)  
You get what you got comin'

Ah yeah  
What you got comin'

What color you like and what does it mean  
It's all or nothin', there ain't no in between, no  
(There ain't no in between, no)  
Leave nothin' to chance 'cause there comes a day,  
yeah  
You'll get what you got comin'  
(You're gonna get it, you're gonna get it)

You'll get back what you give  
Baby, that's the only way to live  
What goes round, now and then  
Comes again, oh yeah

You'll get back what you give  
Maybe that's the only way to, only way to  
What goes round, now and then  
It comes again  
(It comes again)

You'll get what you got  
You'll get what you got  
Get what you got comin'

Baby get what you got comin'  
(Get what you got, get what you got)  
What you got comin'  
(Get what you got)

You get what you got comin'  
(Get what you got)  
No no no  
(Get what you got)  
You get what you got comin'  
(Get what you got)
