I've tried Tequila, tried Mary-Jane  
It got me no-where, it just drove me insane  
Single dumb an' stupid, baby, wasn't I a fool?  
Ain't nothin' better than lovin' you, hey

I've meditated on a single drop of rain  
Heard one hand clappin', there was silence in my brain  
It showed me somethin', baby, I already knew  
Ain't nothin' better than lovin' you

I been high, a time or two  
Those days are done  
Now, you're the one I'm turned on to  
I know, now, what I'm gonna do  
The master-plan for this old man is  
Lovin' you, lovin' you, lovin' you

God made your body, baby, he built it well  
If He made somethin' better then He kept it for himself  
When we get to Heaven, girl, I bet He'll tell you too  
Ain't nothin' better than lovin' you

I been high, a time or two  
Those days are done  
Now, you're the one I'm turned on to  
I know, now, what I'm gonna do  
The master-plan for this old man is  
Lovin' you, lovin' you, lovin' you

After tryin' everything  
I found my life's Venus

I been high, a time or two  
Those days are done  
Now, you're the one I'm turned on to  
I know now, what I'm gonna do  
The master-plan for this old man is  
Lovin' you, lovin' you, lovin' you

I been high, yeah, a time or two  
Those days are done  
Now, you're the one, girl, I'm turned on to

I know, now, what I'm gonna do  
The master-plan for this old man is  
Lovin' you, lovin' you, oh, lovin' you

I'm turning on  
Ain't nothing better than loving you
