Let me loose
Set me free
I've been burning
Endlessly
There's no way back
Where I come from
Misery

Bottled up
Shaken out
No eyes of shadow
On the ground
Time's run out
Luck's run dry

We're living in a rage of fire
Drowning by the winds of change
No one has the right to come and take my rage
Dancing on the edge of darkness
Blinded by the face of hell
I got to know this rage
Oh so well

There's a world I can't forget
And this life won't let me live
I look to you, aim away
It appears to me

We're living in a rage of fire
Drowning by the winds of change
No one has the right to come and take my rage
Dancing on the edge of darkness
Blinded by the face of hell
I got to know this rage
There's so much I got to lay down
This rage shakes these roots from the ground
I've got to bury it now

We're living in a rage of fire
Drowning by the winds of change
No one has the right to come and take my rage
Dancing on the edge of darkness

Blinded by the face of hell
I got to know this rage
We're living in a rage of fire
Drowning by the winds of change
No one has the right to come and take my rage
Dancing on the edge of darkness
Blinded by the face of hell
I got to know this rage
Oh so well
Oh so well

Let me loose
Set me free

No no no

Rage...
Rage...

WORLD'S GOT ME DOWN!

(Living in the rage of fire...fire...
Living in the rage of fire...fire...)
