Night swimming, beach walking. Always silent, never talking

Then you call my name, and I know inside I love you
Sail away I miss you more, until you see the shore
There I will be waiting, anticipating

Each moment is cool. Freeze the moment

CHORUS

I wouldn't want to be, anywhere else but here, I
wouldn't want to change

Then you call my name, and I know inside I love you
Sail away I miss you more, until you see the shore
There I will be waiting, anticipating
