Heyâ€¦do it nowâ€¦yeah hey

Yeah, once I was a boogie singerâ€¦playin' in a rock & roll band
I never had no problems, yeahâ€¦burnin' down the one night stands
And everything around me, yeahâ€¦got to start to feelin' so low
And I decided quickly [yes, I did]â€¦to disco down and check out the show

Yeah, they were dancin' and singin' and movin' to the groovin'
And just when it hit me somebody turned around and shouted

Play that funky music white boy
Play that funky music right
Play that funky music white boy
Lay down that boogie and play that funky music till you dieâ€¦
(hey,hey) till you dieâ€¦yeah, yeah

Well, I tried to understand thisâ€¦Yeah, huh, I thought that they were out of their minds
How could I be so foolish, [How could I]â€¦tonight's the hours, the one behind
So still I kept on fightin'â€¦Wow, loosin' every step of the way (Yeah, what'd you do?)
I said, "I must go back there"[Got to go back]â€¦and check to see if things still the same

Yeah, they were dancin' and singin' and movin' to the groovin'
And just when it hit me somebody turned around and shouted

Play that funky music white boy
Play that funky music right
Play that funky music white boy
Lay down that boogie and play that funky music till you

dieâ€!
Till you dieâ€!(Yeah) Wow, till you die

But-I'll never lose that feelin' [No I won't]â€!Of how I
learned my lesson that day

When they were dancin' and singin' and movin' to the
groovin'
And just when it hit me somebody turned around and
shouted

Play that funky music white boy
Play that funky music right
Play that funky music white boy
Lay down that boogie and play that funky music till you
dieâ€!
Till you dieâ€!oh, till you die
