Sweet like chocolate
You're sweet like chocolate
Finding your way in the dark
Ain't so hard when you're close to my heart
You are there when I'm feeling alone
All I need is for you to come home

You're sweet like chocolate boy Sweet like chocolate You bring me so much joy You're sweet like chocolate boy

Trust is the lock is the key
There's no doubt that your love's all for me
You are sweet on the tip of my tongue
You are warm like the rays of the sun

You're sweet like chocolate boy Sweet like chocolate You bring me so much joy You're sweet like chocolate boy

You're sweet like
Da da da da da da
Da da da da da da da da
Da da da da da da da da da
Da da da da da da da da da

Knowing you're there every day
Makes me high in my own special way
I am calm in the face of your love
Holding you is a gift from above

You're sweet like chocolate boy Sweet like chocolate You bring me so much joy You're sweet like chocolate boy

You're sweet like Da You're sweet like
Da da da da da da
Da da da da da da da da
Da da da da da da da da
Da da da da da da da da da
