Hey driver, where we going?
I swear, my nerves are showing.
Set my hopes up way too high.
Living's into the way we die.

Comes the morning and the headlights fade away.
Hundred thousand people, I'm the one they frame.
I've been waiting long for one of us to say.
"Save the darkness, let it never fade away".

Ooohh, the living daylight.
Ooohh, the living daylight.(The living daylight).

Alright, hold on tight now.
It's down, down to the wire.
Set your hopes up way too high.
Living's into the way we die.

Comes the morning and the headlights fade away.
Hundred thousand changes, everything's the same.
I've been waiting long for one of us to say.
"Save the darkness, let it never fade away".

Ooohh, the living daylight.
Ooohh, the living daylight.(The living daylight).
