When your world is full of strange arrangements  
And gravity won't pull you through  
You know you're missing out on something  
Well that something depends on you

All I'm saying, it takes a lot to love you  
All I'm doing, you know it's true  
All I mean now, there's one thing  
Yes one thing that turns this grey sky to blue

That's the look, that's the look  
The look of love(x3)

When your girl has left you out on the pavement  
(Goodbye)  
Then your dreams fall apart at the seams  
Your reason for living's your reason for leaving  
Don't ask me what it means

Who's got the look? I don't know the answer to that  
question  
Where's the look? If I knew I would tell you  
What's the look? Look for your information  
Yes there's one thing, the one thing that still holds true  
(What's that?)

That's the look, that's the look  
The look of love(x6)

If you judge a book by the cover,  
Then you'd judge the look by the lover  
I hope you'll soon recover,  
Me I go from one extreme to another

And though my friends just might ask me  
They say "Martin maybe one day you'll find true love"  
I say "Maybe, there must be a solution  
To the one thing, the one thing, we can't find"

That's the look, that's the look  
The look of love

That's the look, that's the look  
The look of love  
That's the look, that's the look  
Sisters and brothers  
Should help each other

Oh, oh, oh

Heavens above

That's the look, that's the look, hip hip hooray, ay  
That's the look, that's the look, yippee ai yippee aiay  
That's the look, that's the look  
Be lucky in love

Look of love
