Yeah I, I got to know your name
Well and I, could trace your private number baby
All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
I want some

Well I...I set my sights on you
(and no one else will do)
And I, I've got to have my way now, baby
(and no one else will do)
And I, I've got to have my way now, baby
All I know is that to me
You look like you're havin' fun
Open up your lovin' arms
Watch out, here I come

*You spin me right round, baby
right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round

I, I got be your friend now, baby
And I would like to move in
Just a little bit closer
(little bit closer)

**All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
Watch out, here I come

[*Repeat]

I want your love
I want your love
[**Repeat]

[*Repeat and fade with ad lib]
