Ooh Love, Uh-uh, Uh-uh-huh-huh
Uh-huh-huh-huh-huh

I've got this feelin' like I'm comin' ali-ive
I've got this feelin' like I'm comin' ali-ive
Comin', comin', comin' ali-ive
Comin', comin', comin' ali-ive

I was walkin' alone for a long ti-ime, tryin' to fi-ind my
way-ay
I was searchin' for love I could call mine, then
somethin' happened to me today
I felt the rush of sudden desire, my emotions are all on
fire
There's a spark that you've ignited, it's comin' on and I
just can't fight it

(I'm) I've got this feelin' like I'm comin' ali-ive
(Comin') I've got this feelin' like I'm comin' ali-ive
(Alive...) Comin', comin', comin' ali-ive
Comin', comin', comin' ali-ive

Somethin's stirrin' inside me, that I never fe-elt before
I felt it the moment you touched me, now I'm not alone
anymore
Now that I've found you I don't want to lose you
You started something that I could get used to-oo
I'm so glad that we made the connection
Just keep sendin' what you've got in my direction

(I'm...) I've got this feelin' like I'm comin' ali-ive
(Comin'...) I've got this feelin' like I'm comin' ali-ive
(Alive...) Comin', comin', comin' ali-ive
Comin', comin', comin' ali-ive

Comin' alive, comin' alive (hooh)
I've got this feelin' like I'm comin' al-ive
Comin' alive, comin' alive (hooh)
I've got this feelin' like I'm comin' ali-ive

I felt the rush of sudden desire, my emotions are all on

fire

There's a spark that you've ignited, it's comin' on and I
just can't fig
