Billy was a landmine to his friends  
But he would never get excited â€˜till the end  
You can see him in the corner there all alone  
And if you see him on the street he says heâ€™s on his  
way home  
But he donâ€™t go home  
Heâ€™s got his books to read, heâ€™s got his life to  
lead at night  
Weâ€™ve been sittinâ€™ round the tables and too  
long  
And weâ€™ve been making out that there was nothing  
wrong  
And time is nothing when thereâ€™s nothing left to say  
And time goes slow on Billyâ€™s silent holiday  
But he donâ€™t go home  
Heâ€™s got it all sewn up; heâ€™s got his life to lead  
at night  
Heâ€™s forever on crossbones cycle at home so his  
mama donâ€™t know  
Billyâ€™s been bending some their rules at the  
Saturday Show  
Come on Billy!  
Billy was a landmine to his friends  
But he would never get excited â€˜till the end  
He built a city in his head and went to live up there too  
Man who knows made him an inmate in an urban zoo  
But he donâ€™t go home  
They got him all sewn up; they got his life to lead at  
night  
Oh heâ€™s forever on crossbones cycle at home so his  
mama donâ€™t know  
Billyâ€™s been bending some their rules at the  
Saturday Show  
Come on Billy! Buh-buh-buh Billy! Billy! Billy! Billy!  
Billy!  
Donâ€™t ever change  
Not even for a little while  
Donâ€™t ever change  
I love you just the way you are  
I donâ€™t understand, Iâ€™ve never done a thing to  
you  
Donâ€™t ever change

Don't ever start to ask me to  
Don't ask me to, won't ask you to  
Don't ever change  
Not even for a little while  
Don't ever change  
I love you just the way you are  
I don't understand, I've never done a thing to  
you  
Don't ever change  
Don't ever start to ask me to  
Don't ask me to, won't ask you to  
Hah!
