I've got your picture

Of me and you

You wrote "I love you"

I wrote "me too"

I sit there staring and there's nothing else to do

Oh it's in color

Your hair is brown

Your eyes are hazel

And soft as clouds

I like to kiss you when there's no one else around

I've got your picture, I've got your picture

I'd like a million of you all to myself

I want a doctor to take your picture

So I can look at you from inside as well

You've got me turning oh I'm turning yeah I'm turning
now I'm

turning that

I'm turning Japanese I think I'm turning Japanese I really
think

so

Turning Japanese I think I'm turning Japanese I really
think so

I'm turning Japanese I think I'm turning Japanese I really think

so

Turning Japanese I think I'm turning Japanese I really think so

I've got your picture, I've got your picture

I'd like a million of you all to myself

I want a doctor to take your picture

So I can look at you from inside as well

You've got me turning yeah I'm turning oh I'm turning
ah I'm

turning yeah

I'm turning Japanese I think I'm turning Japanese I really think

so

Turning Japanese I think I'm turning Japanese I really think so

I'm turning Japanese I think I'm turning Japanese I really think

so

Turning Japanese I think I'm turning Japanese I really think so

No sex, no drugs, no wine, no women

No fun, no sin, no you, no wonder it's dark

Everyone around me is a total stranger

Everyone avoids me like a psyched lone ranger

Everyone

That's why I'm turning Japanese I think I'm turning
Japanese I

really think so

Turning Japanese I think I'm turning Japanese I really
think so

I'm turning Japanese I think I'm turning Japanese I really
think

so

Turning Japanese I think I'm turning Japanese I really
think so

Turning Japanese I think I'm turning Japanese I really
think so

Turning Japanese I think I'm turning Japanese I really
think so

Turning Japanese I think I'm turning Japanese I really
think so

(think so think so think so)

Turning Japanese I think I'm turning Japanese I really
think so
