You got two lips that look so fine  
You got one heart I wish was mine  
Love, real love, you've got love

I've got two arms that you could use  
To make me lose my blues  
Love, sweet love, you've got love

You've got love, real love  
You've got love, sweet love  
You've got love that is true  
I want only you

You got two eyes so you can see  
Your love was meant for me  
Love, true love, you got love

You got two lips that look so fine  
You got one heart I wish was mine  
Love, real love, you've got love

I've got two arms that you could use  
To make me lose my blues  
Love, sweet love, you've got love

You've got love, real love  
You've got love, sweet love  
You've got me in a spin  
I love this spin I'm in

You've got two hands I love to touch  
You got good love I need so much  
Love, good love, you've got love
