I don't want my baby
From test tube,
I don't want
Pills from space station,
I don't want blood
From cows and chickens,
I don't want
Enterprise,
I want
Democracy with power to People...

I don't want my baby
From test tube,
I don't want
To become robot,
I don't want to be flashed with waves,
I don't want
Coca-Cola and potatoes____
Strip Enterprise
On both sides____Capitalism and Communism...
....Forget Fascism...

I want
Democracy with power to People,
I don't want my baby
From test tube,
I don't want
To become Judge,
I don't want
Enterprise,
I don't want Communists and cops control us,
Baby,
I don't want to be assassinated
By your drug dealers working with cops____

I don't want my baby
From test tube,
I don't want
Pills from space station,
I don't want blood
From cows and chickens,

I don't want
Enterprise...
