(\*laughter echoes\*)

I've changed...  
You motherfuckers kill me  
I've changed...

It ain't that i've changed  
But it's strange how you motherfuckers rearrange  
When I found fame  
Point ya finger at tha bad guy

You know what my momma used to tell me  
If ya can't find something to live for..  
.. then you BEST, find something ta die for

(Richard Pryor: "If there's hell below, we're all gonna go!")  
(\*repeat the above throughout\*)

Deep deep

La'tasha Hardings, remember that name...  
Cause a bottle of juice... ain't something to die for

Young Quaid, remember that name...  
Cause all you motherfuckers  
That go to your grave with that name on your brain  
Cause jealousy and recklessness is NOT, something to die for

All you niggas out there (\*echoed laughter\*)  
Got a crack that crumbles  
When I say all you niggas (all you niggas)  
Unite  
One nigga, teach two niggas  
Four niggas teach more niggas  
All the poor niggas  
The pen niggas  
The rich niggas  
The strong niggas  
UNITE

There's more of us than there is of them  
Look around...  
Check your strip

Deep deep  
That's something to die for

Black  
That's something to live for

What do I know?
