[Verse 1:]

Sometimes I wonder if i'll ever make it through,
Through this world without you,
I just wouldn't have a clue.
Sometimes it seems this world's closing in on me,
And there's no way of breaking free,
And then I see you reach for me.
Sometimes i wanna give up,
I wanna give in,
I wanna quit the fight,
And then I see you baby and everything's alright,
And everything's alright.

[Chorus:]

When I see you smile,
I can face the world, ohhh,
You know I can do anything.
When I see you smile,
I see a ray of light, ohhh,
I see you shining right through the rain.

[Verse 2:]

Baby there's nothing in this world i can ever do,
That the touch of your hands can't do,
It's like nothing i ever knew, yeah.
And when the rain is falling,
I can feel it,
That you're here with me now,
I wanna ask you baby if everything's alright,
If everything's alright.

[Chorus:]

When I see you smile,
I can face the world, ohhh,
You know I can do anything.
When I see you smile,
I see a ray of light, ohhh,
I see you shining right through the rain.

[MC/Rap Section]

[Chorus:]

When I see you smile,
I can face the world, ohhh,
You know I can do anything.
When I see you smile,
I see a ray of light, ohhh,
I see you shining right through the rain.

Oh baby,
I'm your number one lady,
You know that I'm your only baby.

[Chorus:]

When I see you smile,
I can face the world, ohhh,
You know I can do anything.
When I see you smile,
I see a ray of light, ohhh,
I see you shining right through the rain.

[Chorus to fade]
