Swirling around the forbidden dimensions
Entering strange eons of disgust
Entombed in the stone ruins of great R'Lye
The Ancient Ones prepare for the last awakening

Psychodeath rites ÆfÂçâ,¬" Necromantical psalms
Though timeless agony ÆfÂçâ,¬" Death shall retreat

The liberated wrath ÆfÂçâ,¬" An orgy of perverted lust
Holocaust of morbid sodomy ÆfÂçâ,¬" The initiates
await

[Leprocious Lord]
Within his castle in R'lye ÆfÂçâ,¬" The dead Cthulu
awaits
While dreaming

Astral shape reentering the lifeless body
The black winged creature in chaotic noise
Emerges from the depths of the emetic abyss
Spreading forth the putrid stench of ÆfÂçâ,¬Ã,Â!
