Whoa Baby!
You've Got Exactly What I Need.

It's In The Way You Move,
When I'm Staring At You.

Just Flip Your Hair,
Put The Arch In Your Back Baby.

I Remember The First Time We Came Across,
And I saw Your Face.

I Heard The Tremble In Your Voice,
And We knew What Would Take Place.

Across That Room Embraced In A Long Stare,
You Felt My Touch.

WHOA BABY!
You've Got Excaclytly What I Need,

It's in the Way You Move,
When I'm Staring At You.

(chorus)
Cuz I Am The One,
You Call On Me,

Escape Your Life,
Be Set Free!

Your Problems At Home,
Mean Nothing With Me.

Just Take A Ride,
No One Will See!

Just Follow,
Follow The Feel.
Lean The Seat Back Baby,
Just Close Your Eyes.

Just..... Close....
Your.... Eyes.....

(chorus)
Cuz I Am The One,
You Call On Me,

Escape Your Life,
Be Set Free!

Your Problems At Home,
Mean Nothing With Me.

Just Take A Ride,
No One Will See!

Just Follow Me Down,
I Hope You Follow...
Just Follow.

Forget Your Problems,
Come With Me Girl..
Escape Your World

Forget Your Problems,
Come With Me Girl..
Escape Your World

No One Will SEE
