Walk out, girl, don'tcha walk out  
We've got things to say  
Talk out, let's have it talked out  
And things will be okay

Girl, I don't wanna fight  
I'm a little bit wrong, and you're a little bit right  
I said girl, you know that it's true  
It's a little bit me, and it's a little bit you, too

Don't know just what I said wrong  
But girl, I apologize  
Don't go, here's where you belong  
So wipe the tears from your eyes

Girl, I don't wanna fight  
I'm a little bit wrong, and you're a little bit right  
I said girl, you know that it's true  
It's a little bit me, and it's a little bit you, too

Oh girl, I don't wanna fight  
I'm a little bit wrong, and you're a little bit right  
I said girl, you know that it's true  
It's a little bit me, and it's a little bit you, too

It's a little bit me, it's a little bit you  
Girl, I'm gone, no no no no no  
Girl I'm gone, no no no no no  
Hey, girl...
