Circle sky
Telling lies
Here i stand
At demand

And it looks weve made it once again
And it looks weve made it once again

Color sound
All around
Wing tip smile
Sees for miles

And it looks weve made it once again
And it looks weve made it once again

Its a very extraordinary scene
To those who dont understand
But what you have seen you must believe
If you can
If you can

Hey milltown
Smiling down
Telling more
Than before

And it looks weve made it once again
And it looks weve made it once again
