I'm like a toy balloon
And someone cruel has cut the string
I'm drifting out of sight
My head's too light to find a thing
Oh baby, life is like a cartoon movie
Being with you makes it groovy
Everything you do is new to me

And do you feel it too?
Do you find another joy in every little thing you do?
Oh do you feel it too, do you find the only thing
That matters now is me and you?

I can't believe my ears
You know I hear such crazy sounds
Each time I talk to you
And walk with you I'm off the ground
Oh baby, love is great, you just can't top it
Got the ball we mustn't drop it
Girl there ain't a thing can stop it now

And do you feel it too?
Do you find another joy in every little thing you do?
Oh do you feel it too, do you find the only thing
That matters now is me and you?
Tell me baby

Oh baby, life is like a cartoon movie
Being with you makes it groovy
Everything you do is new to me

And do you feel it too?
Do you find another joy in every little thing you do?
Oh do you feel it too, do you find the only thing
That matters now is me and you?
