Now? You know my girl...now? You know my girl just
called my up
And she woke my from my sleep. *Snores*
You should have heard the things she said
You know she hurt my feelings deep.
I'm gonna buy me a dog.
A dog?
A dog.
Why?
Why?
'Cause I need a friend now.
Babe, you need all the friends you can get!
I'm gonna buy me a dog,
My girl, my girl, don't love me no how.
Don't ruin my song man. It's the only song I have.
It was ruined when it was wrote.
Uh, where's the verse?
She used to bring me my, my newspaper
You don't even know where it's at!
'Cause she knew where it was at.
She used to keep me so contented,
But I can teach a dog to do that.
I'm gonna buy me a dog.
You couldn't teach a dog to do that. You can only train
elephants.
'Cause I need a friend now.
I need a friend now!
Now!
Yeah!
I'm gonna buy me a dog.
A dog. Here Rover, Fido, Spot!
Here boy! *Whistle*
My girl, my girl, don't love me no how.
One.
Two.
Three.
Four
One, two, three, four, five, six, seven, hike!
Hike!
Hike!
I was late on that one.

I just got back from Africa, you know. I was playing
cards with the natives.
Zulus?
No, I usually won. Ah, ah, ah!
I wish I had a glass of water.
Why? Ya thirsty?
No. I want to see if my neck leaks.
I'd buy a raccoon, but John already has one.
Thirty-five bucks.
Where do I come in, here?
I...I'm gonna bbuy me a dog.
Dog!
A dog...hmmm!
Yeah!
'Cause I need a friend now.
Yeah, yeah!
Boop, boop, sh-bop, bop, ramalama-
I'm gonna buy me a dog.
My girl, my girl, don't love me no how...how...
How now, Brown Cow?
I think I'm gonna buy me a dog. yes sir, I'm gonna buy
me a dog. If I was looking for a word to describe what
I'm gonna buy, I think dog would be the word.
Would it? Would it be dog?
It would be dog.
Definatly dog.
It would come springing from my lips, dog.
Springing from your...
Boing, boing, boing!
It would be springing from my...
Is that it Tommy? Can ya turn it off please?
Can somebody open the door and let us out?
They're coming to take us away! Ha ha ha!
