Life is hard for me to touch now
I just don't enjoy it as much now
When she left, something inside of me died
And I won't be the same without her
No, I won't be the same without her by my side

There's no end to my sorrow
I'm afraid to face tomorrow
When she left, she took much more than my pride
And I won't be the same without her
No, I won't be the same without her by my side

It isn't easy to forget her
And the way it used to be
She changed my life the day I met her
And I won't be the same without her
No, I won't be the same without her close to me

Life is hard for me to touch now
I just don't enjoy it as much now
When she left
Something inside of me died
And I won't be the same without her
No, I won't be the same without her by my side
