"Laugh"

Every face that I see
Is all wrapped up in frowns
And unfortunately
It kind of gets me down

Laugh
'Cause the music is funny
Yeah, the bass sounds off-beat
Ain't that neat?
Laugh (ho-ha-ha-ha)
When you lose all your money (ho-ha-ha-ha)
Or you can't find your shoes (ho-ha-ha-ha)
To cover your feet (ho-ha-ha-ha)

It's not so hard to see
Exactly what I'm after
Sometimes a tear should fall
But I require giggles and chuckles (ho-ho-ho!)

Laugh (ho-ha-ha-ha)
When you're keeping a secret (ho-ha-ha-ha)
And it seems to be known (ho-ha-ha-ha)
By the rest of the world (ho-ha-ha-ha)
Laugh (ho-ha-ha-ha)
When you go to a party (ho-ha-ha-ha)
And you can't tell the boys (ho-ha-ha-ha)
From the girls (ho-ha-ha-ha)

Every face that I see
Is all wrapped up in frowns
And unfortunately
It kind of gets me down

Hey, yeah, yeah, laugh (ho-ha-ha-ha)
At the things that are wrong (ho-ha-ha-ha)
If you think it's this song (ho-ha-ha-ha)
Then laugh (ho-ha-ha-ha)
Then laugh (ho-ha-ha-ha) ...
