Micky: "Or we could do..."

Coco: "Micky, just do what they want..."

Hank: "Do, uh, do both of these again."

Well, I'm an angry man, I sing an angry song  
Tell ya, honey, it won't be long  
I'll pack my bags, get outta here  
With my guitar and a case of beer  
Well, I'm going north, and I'm going south  
Tell ya, honey, better shut your mouth  
I'll kick your head from here to hell  
You better know, I can do it well

Midnight train, rambling rambling  
All night long, I'm gambling, gambling  
Losing all my money, well it really ain't so funny, hon  
Midnight train, rambling, rambling  
All night long, I'm gambling, gambling  
Tell ya what, babe, well ya better be moving on

Well, I really don't know I'm going for sure  
Ain't got a map, and it ain't no tour  
I'm just heading out for the open sky  
Who knows, I might even die  
Well, don'tcha worry your pretty little head  
I never give a damn what I did or said  
That's why I'm packing to leave this place  
Can't stand to look at your cheating face

Midnight train, rambling, rambling  
All night long, I'm gambling, gambling  
Losing all my money, well, it really ain't so funny, hon  
Midnight train, rambling, rambling  
All night long, I'm gambling, gambling  
Tell you what, babe, well you better be moving on

Well, you treated me like a little boy  
And you played around like I was a toy  
Guess you thought I'd have the blues  
Look who's crying--guess you lose

Midnight train, rambling, rambling  
All night long, I'm gambling, gambling  
Losing all my money, well, it really ain't so funny, hon  
Midnight train, rambling, rambling  
All night long, I'm gambling, gambling  
Tell you what, babe, well you better be moving on

Midnight train, rambling, rambling  
All night long, I'm gambling, gambling  
Losing all my money well, it really ain't so funny, hon  
Midnight train, rambling, rambling  
All night long, I'm gambling, gambling  
Tell you what babe, well, you better be moving on

Midnight train, rambling, rambling  
All night long, I'm gambling, gambling  
Losing all my money, well, it really ain't so funny, hon  
Midnight train, rambling, rambling  
All night long, I'm gambling, gambling  
Tell you what, babe, well, you better be moving on  
It's about that time, better be moving on  
Get outta here, you better be moving on  
That's all she wrote, you better be moving on
