I've described me very poorly,

Better try again.

Quiet, sincere, gentleman, well rounded and mature.

Fond of music and the arts, loves the theater.

Educated, sensitive, a trav'ler of the world.

Wants to meet an eligible young girl.

I've been writing, advertising

That's not really me.

Lonely, understanding man, affectionate and true

Looking for girl to share his dreams and make them true.

Humble, loving, sensitive, considerate and shy.

Only sincere ladies need reply.

I'm not liking what I'm typing.

Throw it all away.
