Shorty Blackwell, Shorty Blackwell  
Be friends with me! Be friends with me!  
Shorty Blackwell, Shorty Blackwell  
Be friends with me! Be friends with me!

I'm feeling very bad today  
Another cat came in to stay  
He's eating all my food  
He's speaking very crude  
He's gonna change the mood

I'm feeling very bad today  
A red balloon got in my way  
It followed me around  
It never touched the ground  
What can I say?

He built a house upon a hill  
Ask him if he's happy  
And then give him a pill  
He's going mad  
He bought another car today  
Ask him if he's happy  
Then turn the other way  
He's going mad  
He's going mad  
He's going mad  
Ha's going mad!  
H'es going mad!  
He's going mad!  
He's mad, mad, mad, mad, mad!

I'm feeling very bad today  
Another cat came in to stay  
He's eating all my food  
He's speaking very crude  
He's gonna change the mood

Black and shiny, now you've finally  
Gotten everything you wanted  
And you're taunted by the power

That you really don't want any more  
Bah! Bah! More, bah! Bah!

Everybody's talking faster,  
'Hurry up, get me a master!  
I don't have much time to lose.  
And, besides, I'm polishing my shoes.'

Crossing the street  
Watching your feet  
Or you'll die in a thunderbird light  
Wishing with all of your might  
That you'd read the newspaper  
That you forgot to buy today  
How will you know what they do  
When they say hey? Hey?

I'm feeling very bad today (I'm feeling bad)  
Another girl came by to stay (I love you more)  
I can't think of a word  
To tell you what I've heard  
I've been away  
I've been away  
I've been away  
I've been away  
I've been away  
I've been away  
I am  
I am  
I am  
I am  
I am, I  
I am  
I am, I  
I am, I am.....
