I wake to the sun shining
Orange and blue skies
Oh, what a feeling deep inside
It's so hard for me to hide

You cannot imagine
A feeling so different
You've come so far, you're at my door
You're knocking at my door

Won't you come inside and talk awhile?
What I have to say may make you smile
Smile, smile, smile

I wake to the sun shining
Orange and blue skies
Oh, what a feeling deep inside
It's so hard for me to hide

Won't you come inside and talk awhile?
What I have to say may make you smile
Smile, smile, smile
