Time and time again  
Naughty girls get me in trouble  
When I fly too high  
Something's bound to burst the bubble

You say this is love  
Wonder if you're feeling lonely  
Tell me, if you please  
Is this for this evening only?

Or will it be for a long, long time?  
Or just a passing fancy?  
Will it be for a long, long time?  
I feel as though it can be

I'll just wait and see  
What tomorrow has to bring me  
A love that is oh, so true  
Or another girl that's free and easy

So I'll just wait and see  
What tomorrow has to bring me  
A love that is oh, so true  
Or another girl that's free and easy

Time and time again  
And again, and again, and again...
