Just a loudmouth yankee, I went down to Mexico  
I didn't have much time to spend, about a week or so  
There, I lightly took advantage of a girl who loved me  
so  
But I found myself a'thinking, when the time had come  
to go

What am I doing hangin' 'round?  
I should be on that train and gone  
I should be riding on that train to San Antone  
What am I doing hangin' 'round?

She took me to the garden just for a little walk  
I didn't know much Spanish, and there was no time for  
talk  
Then she told me that she loved me  
Not with words, but with a kiss  
And like a fool, I kept on thinking of a train I could not  
miss

What am I doing hangin' 'round?  
I should be on that train and gone  
I should be riding on that train to San Antone  
What am I doing hangin' 'round?

Well, it's been a year or so  
And I wanna go back again  
And if I get the money, well I'll ride the same ol' train  
But I guess your chances come but once  
And boy, I sure missed mine  
And still, I can't stop thinking when I hear some whistle  
cryin'

What am I doing hangin' 'round?  
I should be on that train and gone  
I should be riding on that train to San Antone  
What am I doing hangin' 'round?

What am I doing hangin' 'round...
