You and I have seen what time does, haven't we?  
We've both had time to grow  
You know, we've got more growing to do  
Me and you, and the rest of them, too

You can see the changes we've been going through  
Such a pity, what a shame  
Who can we blame?  
You and me, me and you, and the rest of them, too

In a year or maybe two  
We'll be gone and someone new will take our place  
There'll be another song, another voice, another pity  
game

You and I have seen what time does, haven't we?  
We've both had time to grow  
You know, we've got more growing to do  
Me and you, and the rest of them, too
