(Michael Nesmith)

All men must have someone, have someone
Who would never take advantage
Of a love bright as the sun.
Someone to understand them,
And you just may be the one.

All men must have someone, have someone
Who would never take for granted
All the pleasures and the fun.
Someone to stand beside them
And you just may be the one.

I saw when you walked by
The lovelight in your eye
And I knew I must try
To win you more than just a friend,
I'm starting near the end,
And I go again.

All men must have someone, have someone
Who would never take advantage
Of a love bright as the sun.
Someone to stand beside them
And you just may be the one.
Someone to understand them,
And you just may be the one.
