I wanna dance tonight (Dance tonight)

I wanna toast tonight (Toast tonight)

I'll spend my money tonight (Spend your money)

I'll spend my money tonight (Spend your money, yeah)

I wanna dance tonight (Dance tonight)

I wanna toast tonight (Toast tonight)

I'll spend my money tonight (Spend your money)

I wanna get freaky tonight (Freakin', baby, yeah)

First thing we need to do

Is buy brand new fits for you

Make sure that you look good

Make sure that I smell good

Let's purchase two new Bentleys

I know that it looks trendy

So glad that it's not windy

So glad that it's not windy

Here comes that girl named Jhani

Ask if she wants to go

Tonight's gonna be hot for sure

Be dancin' on the floor

Folks trippin' I don't know

Money flyin' everywhere

Champagne, we won't go there

Bottles poppin' in the air

They'll be screamin, "I don't care"

I wanna dance tonight (Dance tonight)

I wanna toast tonight (Toast tonight)

I'll spend my money tonight (Spend your money)

I'll spend my money tonight (Spend your money, yeah)

I wanna dance tonight (Dance tonight)

I wanna toast tonight (Toast tonight)

I'll spend my money tonight (Spend your money)

I wanna get freaky tonight (Freakin', baby, yeah)

Look what the cat hauled in

Me and a couple friends

No need to settle down

My body don't know how

Right there I see you lookin'

Sure hope that you're not took and

Don't get lost in the crowd

This place is so damn wild

Go 'head and force your eyes

Go 'head do what you like

I'm feelin' just as fly

Do you think it's on tonight

I wanna dance tonight (Dance tonight)

I wanna toast tonight (Toast tonight)

I'll spend my money tonight (Spend your money)

I'll spend my money tonight (Spend your money, yeah)

I wanna dance tonight (Dance tonight)

I wanna toast tonight (Toast tonight)

I'll spend my money tonight (Spend your money)

I wanna get freaky tonight (Freakin', baby, yeah)

Dance tonight, toast tonight

Spend you money, baby

Dance tonight, toast tonight

Freak your body, baby

Dance tonight, toast tonight

Spend you money, baby

Dance tonight, toast tonight

Freak your body, baby

I wanna dance tonight (Dance tonight)

I wanna toast tonight (Toast tonight)

I'll spend my money tonight (Spend your money)

I'll spend my money tonight (Spend your money, yeah)

I wanna dance tonight (Dance tonight)

I wanna toast tonight (Toast tonight)

I'll spend my money tonight (Spend your money)

I wanna get freaky tonight (Freakin', baby, yeah)

I wanna dance tonight (Dance tonight)
