I wanna dance tonight
I wanna toast tonight
I'll spend my money tonight
I'll spend my money tonight
I wanna dance tonight
I wanna toast tonight
I'll spend my money tonight
I wanna get freaky tonight
First thing we need to do
Is buy a brand new fits for you
Make sure that you look good
Make sure that I smell good
Let's purchase two new Bentley's
I know it looks trendy
So glad that its not windy
So glad that its not windy
Here comes that girl named Jhandi
Ask if she wants to go
Tonights gunna be got for sure
Be dancin on the floor
Folks trippin I don't know

Money flyin everywhere
Champagne we won't go there
Bottles poppin in the air
They'll be screamin I don't care

Chorus

Look what the cat hauled in
Me and a couple of friends
No need to settle down
My body don't know how
Right there I see you lookin
Sure hope that your not taken
Don't get lost in the crowd
The place is so damn wild
Go head force your eyes
Go head do what you like
I'm feelin just as fly
Do your thing its on tonight
Chorus til end
