I put it down for the LBC

I put it down for a place called queens

You know i represent the 2-1-3

I hold it down for the big city

I keep a gangster for all my young g's

all the p y t's wit der own car keys

i put it down all the ladies

ladies ladies ladies

its all about you

i tried to look the other way

but there you past me by

i saw you holding q-tips hand and girl damn near died

the way you hold dat cosmo

just fits you to a tee

but i just wish dat you were sitting right next to me

i wonder what was on gods mind

the day dat he made you

i know he wrote a new commandment after he was  
through

but everytime i see you

i find something new

but i just gotta have you

i really want you

i just gotta have you

my partner skinny fat were sitting with us too

and all of a sudden your body was inside
