Son don't worry about that man, we gon do our thing

No doubt

HOOK:

You wanna kill me come and do it I don't give a fuck

Diplomats live it up, clak, clak, give it up

Yo check it out now, uh, yo, yo

[Verse 1]

Yo subliminal thoughts, 107th street, criminal court

Pissy drunk up in here, Gordon, Gin the court

It's like a biscuit, judging my dick though, case acquitted

When it's dough I do whatever it takes to get it

So, chain dangles, are in danger

When I skate wit ya ice like the Rangers, assume later

Boss bitch though, goin out like Tomb Raider

Booth razors, a few blazers, who raised him

He speak Eboni-, me and my goddaughter C-Hanni

Come through with the mean Tommy, ask you if you seen mommy

And she three feet behind me

Why my whole life is like the repeat of Gahndi

Me and G O D, from C O C, like got dough C O D

A S A P, A S A P

Play me, you crazy, and your mother ass fat

So I laid her on her stomach bust your brothers on her back
Never rubber on or cap, I'm a raw specialist
Make me more devilish, me and my whores never kiss
Though, motherfucker we was prone to die
Just my green top, yo we own inside, motherfucker

HOOK:

You wanna kill me come and do it I don't give a fuck
Diplomats live it up, clak, clak, give it up
We gon ball till we fall, gon ride in the five
Keep pies in our eyes, stay high til we die
You wanna kill me come and do it I don't give a fuck
Diplomats live it up, clak, clak, give it up
We keep a clip in our shit, keep a brick on the trip
Keep a chick in the whip, gettin licked the six

[Verse 2]

Ayo they used to call me "Work Out"
Cuz before I brought my work out, I used to work out
Niggas wanna make deals, na na I want work out
Now murk out, before you get cursed out
Bangin they fun, same as the sun
Hidin from the church when you slang to the nuns
Chumps come through with giraffe and orangatang
guns
Vetty vest, you petty theft, you seem soft
I'm seven judges up in Supreme Court
Mean thoughts all over a teen porch
Wait, don't have to tell you shit
Matter fact, pat him down, who the hell you wit?
Yo you wack money, wait around all day for pack
money
Get a gold chain talkin bout you bout to have money
But everything's gonna to be all right, why
Cuz every ring's gonna be all ice and
You wanna kill me come and do it I don't give a fuck
Diplomats live it up, clak, clak, give it up
