Stanza I:

Bedrooms' full of trash, stain, with cocaine  
Put it in the closet make sure no stain  
Live life to the fullest that's what will you gonna doâ€¦  
Make sure no promises at the early age of two  
Lying here in my bedroom, makes me so damn bored  
I wanna get up but "NO" said the Lord.  
People make me laugh cause they think Im crazy  
C'mon right here, I'll tell you when im busyâ€¦

Chorus:

Do it, Do it, Get up Get up now baby  
Shake It, Shake It, Get down Get down more baby  
Do it, Do it, Get up Get up now baby  
Shake it, Shake It, Get down Get downâ€¦more BOOM!

Stanza II:

Public media makes my ears bleed fast  
I want to make a movie with an all star cast  
I wonder if Ms. Kurara will stay on track?  
Wish she won that contest all the way back.  
People make me laugh cause they think Im crazy  
C'mon right here, I'll tell you when im busyâ€¦

(REPEAT CHORUS)

Bridge:

Bet the gardener will not clean the garden  
Why is it become quiet all of a sudden?  
Time will tell before I will met you.  
I wish I was born Japanese like you.

(REPEAT CHORUS)
